

MISSION

DRI International aims to promote a base of common knowledge for the business continuity planning/disaster recovery industry. We do this through education, assistance, and publication of the standard resource base. Additionally, we facilitate cooperation with public and private sector groups.

DRI International is a **non-profit** organization founded in 1988, and is committed to:

- Promoting a base of common knowledge for the continuity management profession
- Certifying qualified individuals in the discipline of business continuity
- Promoting the credibility and professionalism of certified individuals

ACTIVITIES
